

# Congratulations on the purchase of your "Maplebar" Magnetic Single Coil Acoustic Soundhole Pickup

The Maplebar single-coil pickup drops neatly into the soundhole of your favorite acoustic guitar to faithfully reproduce its clear, warm tone. Add a preamp and you can overdrive for a biting electrified sound. Constructed within an American Hard Rock Maple housing, the Maplebar slides quickly into the soundhole without tools or modification to the instrument. Foam rubber covered slots hold it in place without damage, and a 12' cable with a 1/4" plug connects it to your sound source. For steel-string flat top acoustic guitars with a round soundhole.

## Installation

To install the "Maplebar" Magnetic Single Coil Soundhole Pickup, loosen the strings of your guitar. Install the pickup in the soundhole so that the cable exits toward the bridge by pushing the bass strings side of the pickup in first, compressing the foam rubber in the slot. When the treble side clears the top of the guitar, lower into place and gently release the pickup to center itself in the soundhole.

Tune the guitar and plug the pickup connection cable into the amplifier. Adjust the volume and tone controls as desired and play. The pickup can be rotated in the soundhole to change tonal characteristics. The pickup is made of natural wood. Do not expose it to water or direct sunlight to prevent wood damage.

## Limited Warranty

Barcus-Berry warrants this product to be free from defects in materials, components and workmanship for one year from date of purchase. To fill out the warranty registration information for this product, please visit [www.barcusberry.com](http://www.barcusberry.com) and click on "warranty". We will replace or repair, at our discretion, this product with a new or reconditioned product. It is understood that it is the buyer's responsibility to return this item to the dealer purchased from or to the address below, all postage and insurance being prepaid. This warranty is null and void if this product has been tampered with, damaged by accident, neglected, or misused, nor does it cover damage caused by weather or storage conditions. MBT INTERNATIONAL RESERVES THE RIGHT TO DETERMINE NEGLIGENCE. This warranty is valid in the USA only. In some states you may have legal rights other than those stated herein.
